The Honorable Lewis L. Strauss  
Secretary of Commerce  
Department of Commerce  
Washington 25, D.C.

Dear Lewis:

Knowing of your particular interest in our special efforts to provide the Government with information about Soviet science, I thought you would like to see our new edition of Soviet Men of Science.

In this edition we have brought together information on nearly 50,000 Soviet scientific personalities, and provided a comprehensive guide to their organizational affiliations.

I believe that the Director of the National Bureau of Standards and the Commissioner of Patents would also find this publication of interest.

Sincerely,

SIGNED

Allen W. Dulles  
Director
